Carrot and Stick by Maxton Young-Jones for Peter Knapp

Part One of Three

Characters

TUMBLES: A Rabbit. Often Irate. An artist.
PEEP: A Rabbit. Often scared. Occasionally Satan.
HOPSY: A Rabbit. Often Fabulous. Twitter-famous.
DORA: A Rabbit. Newcomer.

A two story rabbit cage in a library that is also used as a home office. Stage left, on the first floor, a water bottle. Stage right a plastic tube that connects to the second floor. Downstage at the lip of the proscenium is a metal fence either real or imagined. The fence has a door that is often kept open which leads to the vomitorium out into the audience here symbolizing the rest of the office. Four enormous bowls are in the cage, two up top and two below. The floor is strewn haphazardly with hav on both levels as well as a liberal amount of feces.

TUMBLES and PEEP discovered on the first floor stage left. HOPSY discovered sleeping on the second floor stage right. TUMBLES is eating.

TUMBLES (through food): And then she started digging up my hay pile! **PEEP:** Um-

TUMBLES: (through food): All my landscaping gone! It's hard enough fixing it up once Dad decides he needs to 'clean out the cage' but when some Doe starts moving your pellets too-

PEEP: Um, Tumbles?

TUMBLES (through food): It's just too much. No one appreciates modern art anymore. Not Dad, and not 'Dora' or whatever the fuck...

PEEP (small): I guess the name is a little stupid, but Tumbles-TUMBLES: I'm just trying to turn this cage into a shithole! Is that too much to ask!? **PEEP:** Tumbles? TUMBLES (through food): WHAT!? **PEEP:** Um. Well...uh. It's just that you're eating my food. TUMBLES: Oh? (swallowing food). I hadn't noticed. PEEP: Well, you have. TUMBLES: Whatever, You can have the bowl back now. PEEP: But it's empty. **TUMBLES:** Yeah. Hashtag Sorry/NotSorry. PEEP: ... What? **TUMBLES:** Something I've heard Hopsy saying. It has to do with the thing he's always doing when he's messing around on Dad's computer. I think it's called 'Twatter'? (Above HOPSY has woken up and has started grooming. Peep and Tumbles do not notice.) PEEP: She. **TUMBLES:** What? **PEEP:** Hopsy calls herself 'she' now. Like a doe. TUMBLES: I'd wish you'd stop indulging each other. Hopsy is a man and 'Peep' is not your 'slave name'. Whatever that means. **PEEP:** The revolution will come. Someday Peter and Rob will leave all the doors open and I'll take down their bourgeoisie regime. TUMBLES: Whatever. What do you want to be called this week? PEEP: Satan. TUMBLES: What? **PEEP:** Satan. It's a dark name. TUMBLES: Oh Frith and Inlé... **PEEP:** Dark. Like my soul. TUMBLES: Sure is emo. I assume that you read some book instead of eating it to come up with this 'Satan' phase. And here you are anyway; bitching about food.

PEEP: It's in the Bible. **TUMBLES:** What's that? **PEEP** (embarrassed)...I don't know

really?

TUMBLES: You two are disgusting. You embarrass me with your 'Boibles' and your 'Twatter'. It almost makes me want to hang out with the doe.

HOPSY (calling down): It's pronounced Twitter, darling. And I'm all the doe you need.

TUMBLES: Shut up, Hopsy. **PEEP:** Tumbles, that was mean! **TUMBLES:** Hashtag Sorry/NotSorry.

HOPSY: Don't worry Peep. He's just grouchy because he's a terrible artist and he never got the chance to be a terrible lover before the 'snippy snippy'.

TUMBLES: Fuck you! **HOPSY:** Not even if you could, Tumbles.

TUMBLES: I hate you all.

(He goes to sulk in the corner.) **PEEP** (distressed): You guys... **HOPSY:** Oh let him have his alone time. Sometimes the best cure for being an asshole is to keep on being one until you calm down. Come up and let me groom you, your furs a mess, Peep.

PEEP: Satan.

HOPSY: I don't think that name means what you think it means. **PEEP:** He's the Prince of Hell, The tempter, the Dark lord of all and the end of Hope for mortals.

HOPSY: ...Okay maybe you do. Don't take this the wrong way, love, but you need a psychiatrist. **PEEP:** A what?

HOPSY: Just climb up.

(PEEP climbs up and HOPSY starts to groom him.)

HOPSY: So what set him off this time?

PEEP: The new girl. Dora I think her name was? The one who's replacing Taz.

HOPSY (frosty): Oh. Her.

PEEP: I think she's nice. Maybe a bit bossy.

HOPSY (still frosty): Whatever. I don't think anything about her. **PEEP:** Hm.

(They groom in silence.) **HOPSY:** The thing is though she's not replacing Taz.

Minutes of the March LSF Meeting

Peter and Rob weren't present at the meeting; they had travelled up to New York City to see the play *No Man's Land*, starring Sir Ian McKellan and Sir Patrick Stewart.

Carl is interested in the revived Fox TV series *Cosmos*, hosted by Neil deGrasse Tyson.

ABC's series *Resurrection* premieres tonight. The premise is that, in a small town in Missouri, dead loved ones return without any memories of where they have been. It was mentioned that the Wicked Witch of the West will be joining the characters in *Once Upon a Time*. Xena mentioned that she loves the new series *Hannibal*.

Jim W. shared some readings from *William Shakespeare's Star Wars: Verily a New Hope*, by Ian Doescher. Jim attended the Baltimore Symphony Orchestra's sci-fithemed concert featuring George Takei, who read Klaatu's ending speech from *The Day the Earth Stood Still.* He also plans to check out *Star Trek Continues*, the new fan-created *Star Trek* series

David described the Shakespearean programming language; he also described the three cultural levels of Orson Scott Card's "Speaker" series. He also enjoyed seeing Billie Piper at Gallifrey

Carl passed around packs of new bookmarks that we'll hand out at the LSF Booth for this summer's Pride Festival. One bookmark features the cast of *The Big Bang Theory*.

Carrot and Stick

continued from page 2

PEEP: Um.

HOPSY: Besides Peep, this cage is only big enough for one Queen. And while I'm not saying she's...unique, she is the Fluttershy to my Rainbow Dash, y'know what I'm saying? **PEEP:** Not…really? HOPSY: The Sansa Stark to my Daenerys. **PEEP:** What? HOPSY: The Counselor Troi to my Beverly Crusher. PEEP: Stop saying words! Is this a 'Twatter' thing? HOPSY: Twitter. And not always. You really should come with me when I make my excursions to Dad's computer. I've torrented so many YouTube videos and Furry Porn, you don't even know. It's amazing he hasn't found out yet. **PEEP:** I'm confused but I think you're being bad, Hopsy. **HOPSY:** Said 'Satan'. And if you think I'm a bad bunny, you should see the porn.

PEEP: ...What? No! (HOPSY gives him a look.)

Teresa enjoyed the *Lego* movie. On the other hand, *Mr. Peabody* and Sherman (another new movie) has received unfavorable reviews. Writer/ director Hayao Miyazaki's latest film, *The Wind Rises*, is now out; it is not genre: a biography of a person who designed airplanes. *Divergent*, which appears to be derivative of *The Hunger Games*, comes out in a few weeks.

Finally, Carl brought out a cake with 24 candles to celebrate LSF's 24th anniversary. Carl and Jim W. were both at that first meeting, too!

ΛΨΦ

PEEP: ...Maybe later.

(A brief pause for grooming and then...)

HOPSY (serious): Seriously though Peep, about Dora...what you said earlier.

PEEP: Yes?

HOPSY (hard): She could never replace Taz. Never. You got that? **PEEP:** ...yes.

(Suddenly there is the noise of someone coming up the stairs. TUMBLES stops sulking and looks out into the audience. PEEP and HOPSY also look out, but otherwise continue to groom.)

THE VOICE OF PETER: Okay guys, I'm going to try to leave Dora in the cage for a bit. Please try to behave this time.

(TUMBLES makes a rude noise.) (Enter DORA through the audience up the voms. Although one does not see PETER, one gets the impression that she is placed in the cage on the first floor with TUMBLES) (Awkward silence,)

DORA: Yo what up, boyz! D-Money in DA HOUSE!!!

(to be continued next month)

Tidbits from Wayne #1

Mars One has picked 1,058 people for a projected 2023 mission to Mars. Rigorous simulations will begin in 2015; and the group will be shortlisted to 40 before full training begins in 2018 - with a final group of four. There are expected to be 20 Mars settlers by 2033. Estimated total cost: over \$6 billion. Costs will be recouped by selling the broadcast rights, including the minute-by-minute lives of each Mars-tripper. Supply missions are planned to begin as soon as October 2016. Eight supply system missions will be made before humans are launched in 2021. Six other missions will deliver two "living units", two "life support units", and a second rover. The 40-million-mile journey will take approximately 200 days.
