

**Lambda Sci-Fi**  
DC Area Gaylaxians

The Fire's Stone  
By Tanya Huff  
*Discussed May 2002*

### Discussion Questions

1. Did you like the book? Why or why not? Based on this book, would you want to read more Tanya Huff?
2. What kind of fantasy was this (high fantasy, epic fantasy, urban fantasy, etc.)? How does it compare to other fantasies of this type?
3. Was the fantasy world well defined? Was it defined sufficiently for the purposes of the book?
4. Did the system of magic employed in the book work for you? Were the rules of magic applied consistently?
5. Were the characters interesting and well-defined?
6. Did the gay content enhance the story? Was it handled well?
7. Did Darvish's alcoholism enhance the story? Was it handled well?
8. Did the ending work?
